What is Chelsea? (Overview)

- Chelsea has been in business since 1987 and is located in Coral Springs, Florida with all support and programming remaining in the USA.
- The Chelsea system is one of the most widely used reservation systems and has installations throughout the U.S. including many in high end private and semi-private clubs in Florida.
- The Chelsea Reservation Tee Time System is an internet based system that is designed to distribute requested tee times in a fair, equitable and consistent manner.
- The Tee Time Reservation System will prioritize member requests and will ensure equal access for all members based on the club's rules.

 - Member numbers are made up of the 5 digit number found on your member ID card, followed by a zero (o) for men, one (1) for women, and a 2, 3, 4 etc. for any children on the membership.
 - Rather than a 1, transfer member numbers will start with a 7 and annual members start with a 5.

Details on Requesting a Tee Time

- Tee time requests will be accepted by the system between 14 to 4 days prior to the day of play.
- Placement will occur 4 days prior to the day of play.
- All requests between 14 to 4 days will go into the queue for that day's play. It is not a first come, first served system and tee times are not based on the date or time the request is made.
- Tee times may be linked together with up to **Four (4)** foursomes per request playing in consecutive order.

Making a Request

- Select the day you would like to play from the drop down list.
- Enter the requested time. Choose the earliest time and the latest time you would prefer to play.
- Enter the Number of Tee Times (linked teams) and whether or not you prefer that the system break the link.
 - Choosing to break the link allows the system to place fewer groups from the link when the golf course is at its fullest (Example: Four groups are linked together but only 3 tee times are available. Breaking the link allows the first 3 groups to be placed while the fourth group moves to the Overflow List).
- Click Player Information

Tee Sheet Placement

- Each member will have a rolling point total (Play History) over the last 14 days.
- Tee Sheets are processed 4 days prior to the date of play at 10:00am. At that point, changes may be made to any bookings already placed.
 - Sunday Tee Sheet > Processed Wednesday
 - Monday Tee Sheet > Processed Thursday
 - Tuesday Tee Sheet > Processed Friday
 - Wednesday Tee Sheet > Processed Saturday
 - Thursday Tee Sheet > Processed Sunday
 - Friday Tee Sheet > Processed Monday
 - Saturday Tee Sheet > Processed Tuesday
- Once placement has occurred and the tee sheet has been established, email confirmations will be sent to each member (provided the email address has been added on your profile) with the assigned date, time and course information.

Play History/Placement

- Tee time placement is based on the past 14 days for each player in the group.
- The Chelsea System assigns one (1) point per player at the time of request and one (1) point per player at placement but not both.
- For every hour after the requested time a group is placed, players will receive a deduction of .1 from a full point.
 - Example: Accepted Range – 8:00am – 3:00pm
Requested Time – 9:00am
Actual Placed Time – 11:00am
 - Each player would only receive .8 points at placement

Play History/Placement

- At the time of placement, the total number of points in each group is divided by the number of players in the group for an average team total.

Example:

Member A	5 Points last 14 days
Member B	2 Points last 14 days
Member C	7 Points last 14 days
Member D	6 Points last 14 days

Average Team Total Points = 5

- The team with the lowest average team total will get placed first.

Example:

2 Groups requesting 9AM.

Group 1 Average Team Total	3 Points
Group 2 Average Team Total	4 Points

Group 1 would be placed at the 9AM tee time, and Group 2 would then be evaluated against all others requesting a tee time before and after 9AM, provided it is within their requested range.

Overflow

- When the tee sheet is processed for a day and there are more requests than available tee times, groups with higher play history averages will be placed onto an overflow or waiting list.
- The groups on this list will be ranked in order of team play history average.
- If and when there are cancellations for that day, the Golf Shop staff will contact groups on the overflow list in ranking order to give that group 'first right of refusal' for the open tee time.
 - Groups contacted by Golf Shop staff for a canceled tee time will be given a specified time limit to accept or decline. If the time limit expires before a decision has been made, it will be considered to have been declined and staff will move on to the next group on the list.

Booking a Tee Time

- Once the tee sheet has been processed and tee times are placed, you are able to add yourself to any open tee times available on the tee sheet.
- Under the Booking Tab:
 - Add a Booking
 - Select Day, Time to Review, and Enter Player Information
 - Click Display Times
- Click on any available times to add your group into that selected time and click Submit.
